TLG overview page layout has been changed from one column/row to three column layout. World news has changed on some pages. Other sources will be added to the relevant site page indicator section.

Our working hours that we have at this time, we have converted into our permanent working hours on an annual basis. Appointment hours will be available upon request, also annually thereafter.

Currently, we are publishing new updates and businesses with location numbers, based on placement. This can change at any time, due to online and offline activities. Vacancies may sometimes be filled quickly, depending on the merchant, customer maintenance slogan, text and/or site content, and redirect display.

We have posted a new sign that reads as follows: "Do Not Block Mailbox and Driveway, Unauthorized Vehicles Towed At Owner Expense with Graphic" at the first driveway.

In addition, gravel has been added to second driveway for off-road parking .

Global Ride aimed at everyone.
New friends and family at the other end of the world.
